Manitoba Association of Campgrounds and Parks (MACAP)

MACAP represents Manitoba's family operated campgrounds. Our parks provide campers and RVers with unique camping experiences in a family environment. Our friendly personal service will make you feel right at home. All of our parks offer overnight and seasonal camping and many accept reservations year round. Renewable seasonal leases, no draws and winter storage add up to customer convenience and value.

MACAP President's Message

Appreciating the simpler things in life - like the stars in the sky on a warm, summer evening. As we enter this next camping season remember these thoughts - work hard, play harder; listen more, and appreciate those special moments with your family and friends. Camping is a great way to spend quality time with the important people in your life and to explore the great outdoors. This guide has been designed to assist you in finding the perfect campground to enjoy with the people you love. See you soon for some CAMPING therapy!!!

Dennis Crockatt, President

Manitoba Association of Campgrounds and Parks
